

Widex Framework Draft

draft-stirbu-widex-framework-02.txt

Vlad Stirbu, Dave Raggett

07.11.2006

IETF 67, San Diego

Progress Update

- Comments already addressed in -02
- Revision -03 was published
- New appendix on NAT and IPv6 issues
 - Moved from the Requirements draft

Next Steps

- Update the draft when REX v2 is published
 - Add examples for WO.* messages using the REX v2 formats
