```
Will fix in the next draft. Added to issue tracker.

Thanks,
Sarvi

Subject: [Speechsc] minor nits in mrcpv2-09

there are several cut and paste errors in the examples in sections 4.2 and
14.1. the contact header in the s->c direction are copied from the c->s
direction. several of the sdp lines (e.g. o= and c=) are also similarly
copied.

xheers,
timm
